3. Class Action Waiver:

ALL DEMANDS FOR ARBITRATION MUST BE BROUGHT IN THE CONTRACTOR'S INDIVIDUAL CAPACITY ONLY. CONTRACTOR ACKNOWLEDGES AND AGREES THAT CONTRACTOR MAY NOT PURSUE OR PARTICIPATE IN ANY ACTION AGAINST THE COMPANY AS A PLAINTIFF, CLASS MEMBER, PRIVATE ATTORNEY GENERAL OR IN ANY OTHER REPRESENTATIVE CAPACITY IN ANY PURPORTED CLASS ACTION, COLLECTIVE ACTION, OR REPRESENTATIVE PROCEEDING.

4. Waiver of Judicial Forum, Judicial Remedies, and Jury Trial:

CONTRACTOR UNDERSTANDS THAT BY SIGNING THIS AGREEMENT, CONTRACTOR IS WAIVING, AND WILL FOREVER BE PRECLUDED FROM ASSERTING CONTRACTOR'S RIGHT TO SEEK JUDICIAL REMEDIES WITH RESPECT TO SUCH CLAIMS.

THE PARTIES UNDERSTAND AND AGREE THAT THEY ARE WAIVING THEIR RIGHTS TO BRING CLAIMS TO COURT, INCLUDING THE RIGHT TO A JURY TRIAL.

5. Arbitration Administration, Rules, Fees, and Awards:

As detailed in Sections 1-4 above, regarding the Claims covered by this Agreement, neither Contractor nor the Company will (a) file against, join or intervene in any lawsuit or court case against the other Party that relates in any way to the Parties' service contract or employment relationship, (b) file (or join or intervene in) a class-based lawsuit or court case (including any collective action) that relates in any way to the employment, joint employment, or Contractor service relationship or (c) file (or join or intervene in) a class-based arbitration (including any collective arbitration claim) that relates in any way to the employment, joint employment, or Contractor service relationship.

Accordingly, in the event the Parties are unable or unwilling to resolve any such Claims by informal negotiations or mediation, and to the extent the party raising the claim desires to pursue the same in a formal legal proceeding, such party shall file a Demand for Arbitration before the American Arbitration Association ("AAA"). The Parties agree that any and all statutes of limitation will be applied and enforced as if the action had been pursued in a judicial forum.

The arbitration shall be administered by the AAA and arbitrated in the state (and within thirty (30) miles of the location) where Contractor performed the majority of his/her services for

the Company (i.e., where the Contractor was physically hired by the Company) by a single neutral arbitrator and in accordance with the rules set forth by the Employment Dispute Resolution Rules issued by the AAA, as may be amended from time to time, with the following additional provisions: the arbitrator will be selected either by mutual agreement or by alternatively striking names from a panel of AAA arbitrators experienced in employment, joint employment, or contractor disputes with the party demanding arbitration striking the first name, and the arbitration hearing will be transcribed by a court reporter. A copy of the AAA rules is available for review online at <http://www.adr.org/employment>. In addition, the Company's Human Resources Department has a copy of these AAA rules available and will provide Contractor with a hard or electronic copy of them upon written request (including a request made via email).

The Company will pay the AAA's case management and administrative fees, the court reporter fees for the arbitration hearing and the arbitrator's fee and expenses, except that, if Contractor initiates the arbitration, Contractor will be required to pay an amount equal to the amount of court-related fees Contractor would be required to pay if Contractor had pursued Contractor's action in the federal judicial district encompassing Contractor's primary work location. The arbitrator shall allow the Parties to conduct adequate and reasonable discovery and discovery disputes shall be resolved by the arbitrator. Either party may file pre-hearing motions directed at the legal sufficiency of a claim or defense equivalent to a demurrer, motion to dismiss or motion for summary judgment prior to the arbitration hearing. The Parties have the right to be represented by attorneys of their choice at their own expense.

The decision or award of the arbitrator shall be in writing and will include a statement of the reasons for the award and the findings and conclusions on which the award is based, and shall resolve the dispute. The arbitrator's decision shall be final and binding upon the Parties. The arbitrator shall have the power to award any types of legal or equitable relief available in a court of competent jurisdiction, including, but not limited to, attorneys' fees, costs, and punitive damages when such damages and fees are available under any enforceable agreement including a prevailing party attorneys' fee provision, applicable statute and/or judicial authority. Any arbitral award may be entered as a judgment or order in any court of competent jurisdiction. The Parties agree that any relief or recovery to which they are entitled arising out of a Claim covered by this Agreement shall be limited to that awarded by the arbitrator.

6. Administrative Agency Investigation:

Nothing in this Agreement precludes Contractor from filing a charge or from participating in an administrative investigation of a charge before any appropriate government agency, including but not limited to the National Labor Relations Board, the Securities and Exchange Commission and the Equal Employment Opportunity Commission.

7. Survival in Event of Termination:

This Agreement shall survive the termination of Contractor's service relationship with the Company. This Agreement can only be revoked or modified in a writing signed by both Parties that specifically states intent to revoke or modify this Agreement and is signed by both Contractor and an authorized representative of the Company.

8. Termination:

This Agreement may be terminated by the Company in a written document, signed by the Chief Executive Officer of the Company expressly for that purpose. If the Company terminates this Agreement, it shall provide notice of such termination in a written document to Contractor at least 30 days prior to the termination taking effect ("Effective Date"). Such termination will apply only to Claims arising after the Effective Date -- the termination will not affect Claims which arose prior to the Effective Date. Termination pursuant to this section will apply equally to all Claims, whether those of Contractor or the Company.

9. Assignability:

The Parties may not make any assignment of this Agreement or any interest herein, by operation of law or otherwise, without the prior written consent of the other Party; provided, however, that Company may assign this Agreement (and the rights and duties hereunder) to another entity that either controls Company, or buys or obtains all or substantially all of the assets of Company, without obtaining Contractor's prior written consent. If so assigned, this Agreement shall be binding upon and shall inure to the assignee (who shall become the "Company" for purposes of this Agreement).

10. Governing Law:

This Agreement, as well as all terms and conditions of Contractor's service relationship, shall be governed by and shall be interpreted in accordance with the FAA and the laws of the state where Contractor performed the majority of his/her services for the Company (*i.e.*, where Contractor was physically hired by the Company).

11. Construction and Severability:

The Parties agree that the arbitrator shall decide any question regarding the enforceability of this Agreement. Should any rule or procedure be required under applicable arbitration law at the time of any dispute which has not been specifically described herein, the Parties expressly agree that it is their intent that such procedure be included in this Agreement.

In construing this Agreement, the arbitrator may administer, modify or interpret it to the extent and in such manner as to render it enforceable. If any provision of this Agreement is held to be excessively broad, it shall be reformed and construed by limiting and reducing it so as to be enforceable to the maximum extent permitted by law. Should any part, term or provision of this Agreement be determined by any tribunal, administrative agency or court of competent jurisdiction to be illegal, invalid or unenforceable, even after the reformation and construction referenced in the preceding sentence, the validity of the remaining parts, terms or provisions shall not be affected thereby, and the illegal, invalid or unenforceable part, term or provision shall be deemed not to be part of this Agreement.

13. Consideration:

[For new Contractors]

The Parties agree and acknowledge that this Agreement binds both the Company and Contractor, and that the Parties' mutual promises contained herein constitute sufficient consideration for this Agreement. Further, Contractor acknowledges and agrees that Contractor is entering into this Agreement voluntarily and in consideration for being hired by the Company, and both Parties are entering into this Agreement for the consideration of the speed and efficiency in resolving employment-related claims that the arbitration process offers. Contractor has been advised of Contractor's right to consult with counsel regarding this Agreement prior to signing this Agreement. The Parties acknowledge that they enter into this Agreement freely, without duress or coercion.

[For current Contractors]
